3/9/2020

Dear Board Members,

Out of an abundance of caution we've decided collectively as a board to cancel the following activities: Our March 26 culinary clinic at the institute of culinary Education (ICE), the robotics technology presentation at the JASA venue featuring Marsha Diamond as well as, our community activity at the St. John's Bread for Life scheduled for this Friday March 13th 2020.

We believe it's in the best interest of everyone and the responsible thing to do in light of the rapid spread of the COVID-19. Thank you for your anticipated understanding and support. We will immediately reach out to our vendors who volunteered to participate in the aforementioned activities.

Please stay safe

Respectfully

Patrick D LaMont, President AHF-NY
